Caterham & Lotus Seven Club Speed Championship Regulations 2023

In the event of a Championship round being cancelled the Championship organiser reserves the right to nominate a substitute event, providing that a minimum of 6 weeks is available to notify all Championship entrants. A notification sent to the Championship Entrants registered email will be deemed to have been received, any amendments to calendar are subject to D11.2.

Each qualifying round will be run under its own Supplementary Regulations to which Championship contenders will be bound as well as these Championship Regulations and the general regulations of Motorsport UK.

A competitor is not allowed to partake in demonstration events at a competition venue on the competition day itself at that venue.

1.6 Scoring:

1.6.1 Scoring at each Round

1. Running Order

With the exception of the two Curborough rounds, the running order, subject to force majeure shall be as follows :-

For Dual drives, the driver who finished higher in the previous year's championship will run first or in the previous batch wherever possible . All other competitors shall be scheduled to run in ascending class & ascending competitor number order.

2. Event Scoring

All class runs offered at each round will count for Championship scoring. However if a meeting is abandoned before the completion of two class runs for all championship classes it will only count as a qualifying round of the Championship providing that all competitors have completed one class run. In this instance only the first class run would count for Championship scoring purposes.

Scoring for each round will be scored as follows:

The championship competitor finishing first in each class will be awarded 100 points. All other championship competitors in each class will be awarded points based on the first place time as a percentage of their time – to two decimal places, rounded down.

An example is shown below.

1 st	63.18 secs	100.00 points
2 nd	64.20 secs	98.41 points
3 rd	64.58 secs	97.83 points
4 th	66.78 secs	94.60 points

Caterham & Lotus Seven Club Speed Championship Regulations 2023

1.6.2. Championship and Trophy scoring

To be eligible to receive an end of season award, competitors are required to compete at least one of the two Curborough sprints.

The Class Champions will be decided from the best 7 results out of the 15 rounds by simply totalling the points awarded. The Champion for each class will be the one with the most points in that class who has entered and competed in at least 7 rounds.

In the event of a tie for a Class Champion the results from the best scores for 8 rounds will be counted if this fails to resolve the tie the result will be declared a tie.

The Overall Champion will be the Class Champion who has entered and competed in at least 7 rounds with their class times calculated against the existing Club Class record (or pre-stated target time for new or changed classes, class 5 for 2023) at the nominated events.

The Class Champion will be awarded points based on the class record time (or pre-stated target time) at each event as a percentage of their time – to two decimal places, rounded down.

(For class 5 the pre-stated target time in 2023 will be calculated from the class 6 record time plus 2%)

An example is shown below, with a class Record of 63.18s

61.78 secs	102.26 points
63.18 secs	100.00 points
64.20 secs	98.41 points

Their best 5 event scores will be added together to make a total score. The highest score will be the winner. If this results in a tie the Overall Championship will be shared.

Nominated events are :-

Goodwood, Curborough, Gurston Down, Aintree, Blyton Outer, Loton Park, Harewood, Curborough 8, Wiscombe, Anglesey National, Anglesey International.

The Veterans Trophy will be open to any competitor who has passed their 60th Birthday. Only rounds after their 60th Birthday will be counted.

The Novice Trophy and Veterans Trophy will be decided from the best 5 results out of the 16 rounds. Scores will be calculated against the faster of the Class Record or the class winner's time on the day.

Caterham & Lotus Seven Club Speed Championship Regulations 2023

Ladies Trophy will be calculated against the class winner's time on the day. The trophy winner will be the one with the most points who have entered and competed in at least 5 rounds.

In the event of a tie for the Novice Trophy, Ladies Trophy and Veterans Trophy the best scores for 6 rounds will be counted and at this stage if this fails to produce a clear winner, the result will be declared a tie.

The Edward Lewis Cup will be decided from the best 5 results out of the qualifying rounds by ranking the percentage positive improvement achieved, calculated from the competitors' best timed run at each event against their previous personal best at the same venue and the same class (from and including 2016 onwards).

At each event, the driver with the highest percentage score will be given 10 points, the driver with the second highest score will be given 9 points all the way down to 1 point for 10th place positive score.

The cup winner will be the one with the highest score out of all competitors. Class champions will be calculated similarly and an award made. In the event of a tie the best scores for 6 rounds will be counted and at this stage if this fails to produce a clear winner, the result will be declared a tie.

1.6.3 Championship Points Appeal C6.5.

1.6.4 Event Penalties : see supplementary regulations for each round.

1.7 Awards:

There shall be one Class Champion per class and in addition there will be an Overall Champion, a Ladies Trophy winner, Novice Trophy winner, a Veterans Trophy winner and the Edward Lewis Cup winner. Each Class Champion, the Ladies Trophy, Novice Trophy, Veterans Trophy winners and the Overall Champion shall receive an award. In addition there will be awards for second and third places in each class dependent upon the number of entries in the class. Five competitors in a class will trigger a second place award, with eight competitors triggering a third place award.

Event awards will be given at each of the Caterham & Lotus Seven Club organised events for first, second and third in class in each class dependent upon the number of entries in the class.

Class Champion, Ladies Trophy, Novice Trophy, Overall Champion Awards and the Edward Lewis Cup will be presented at an Awards Presentation Event at the end of the season.

Tyre warming is not permitted by any competitor competing within the Caterham and Lotus Seven Speed Championship at any round – even though it may be allowed by the organisers of specific events.

5. ENVIRONMENTAL CONCERNS

Motorsport UK are exceedingly concerned of the impact of single-use plastic tyre wrapping and with reusable alternatives available competitors are encouraged to reduce plastic usage in this regard. **The use of these plastic wraps is prohibited.**

6 Additional Notes for Competitors

These notes are written chiefly for the benefit of competitors who are new to hill climbing and sprinting. They give a brief introduction to how the championship works.

6.1 Qualifying Rounds

The Caterham & Lotus Seven Club is only directly responsible for the organisation of some of the qualifying rounds of the Championship – **those with Caterham & Lotus Seven Club as the organising club against the event details in 1.5.** Registering for the Championship means that you will be invited by each organising club to submit an entry to each of the qualifying rounds.

6.2 Event Regulations

For Championship rounds organised by the Caterham & Lotus Seven Club entry will be by online entry forms and Supplementary Regulations on the Caterham & Lotus Seven Club website – www.caterhamlotus7.club.

Supplementary Regulations are also available upon request from the Championship coordinator. For qualifying rounds organised by other clubs the event regulations will be posted in the competitors section of the Caterham & Lotus Seven Club website

Caterham & Lotus Seven Club Speed Championship Regulations 2023

6.3 Event Entries

The Championship is very popular and most events have a maximum of 120 competitors with Caterham & Lotus Seven Club events at Curborough having a maximum of only 70 competitors which are also open to competitors who have not registered for this Championship. Hence many events are oversubscribed, and some entries may be refused.

At invited events the Caterham & Lotus Seven Club Speed Championship may be one of many invited championships so the number of available places may be very restricted and early application is advised. At certain venues (e.g. Gurston Down and Loton Park) demand is likely to exceed supply and the Championship Coordinator may be asked to filter entries for the organising club. Registration for this Championship does not guarantee an event entry will be accepted for any qualifying round of the Championship – nor does registration confer any form of priority status. However there are some simple actions that you can take to maximise the chance of an entry being accepted.

- Apply early. Most events have at least part, if not all, of the entry accepted on a first-come first-served basis so send off the entry as soon as the regulations allow – which is often when they are DRAFT.
- Fill in the form correctly! This seems obvious but it is surprising how many entries are rejected or delayed by competition secretaries due to incorrect or missing information. For an oversubscribed event incorrect entries are often the first to be rejected.
- Remember to provide payment!!!

6.4 Double Drives

Double drives are encouraged and the running order will wherever possible comply with 1.6.1.1

6.5 Results

Results for each qualifying round and the overall Championship will be posted as soon as possible after each event on the Competitors' section of the Caterham & Lotus Seven Club website – www.caterhamlotus7.club

Competitors without access to the Internet and wishing to receive printed copies of the results should supply a SAE to the Coordinator (see 1.2.1) for each event when entering. Printed results will be posted within 7 days of the event.

Caterham & Lotus Seven Club Speed Championship Regulations 2023

6.6 Spirit of the Championship

The Caterham & Lotus Seven Club Speed Championship was designed to enable Lotus Seven and Caterham Seven owners to take part in motorsport in a friendly, safe but competitive environment. The Club strives to build a class structure that will enable drivers to compete on even terms but, with almost 60 years of Lotus 7/Caterham history, it is extremely difficult to accommodate the wide range of engine and chassis specifications and variations. This means that the Club can never create an absolutely level playing field within any class but expects the drivers to respect the spirit of the championship by not exploiting the regulations to gain an unfair advantage. Speed trap figures will be monitored and any competitor that proves to be significantly faster than others within the same class may be asked to move to the one above.

We strongly recommend that newcomers who wish to enter for the first time, or existing competitors who are considering upgrades/modifications not explicitly defined in the regulations, seek guidance from the Competition Secretary to verify their eligibility for the class in which they would like to compete. Have fun!
